

Why Keiller Middle School should become a Charter School in Partnership with USD

A partnership between Keiller and the University of San Diego will:

GIVE YOUR CHILD

- Highly qualified teachers who desire to be at Keiller Middle School
- More support in the classroom for both students and teachers
- Access to a college campus at a young age
- College students serving as mentors and tutors
- Additional extra curricular activities
- Opportunity to have a community school that works
- More real-life educational experiences
- Better educational resources to help them reach their goals

**Parents of 5th, 6th, 7th,
graders who may attend
Keiller:**

Please read the charter proposal and sign the petition for Keiller to become a charter school with USD as a partner.
